

Stone number	photograph nr	East face text, pics, relief	Year of death (earliest)
101	101	eroded remains of inscription, weatherworn, cirkel with channel running down from it. Possibly an angel with wings.	
102	102a & 102b	David Dobbie and Mary Muirhead W D died 18(9?).. I No..m..r eroded. 18...	19th century
103	103a & 103b & 103c	Erected by David Dobbie in memory of his brother William Dobbie of Newbank BAI /T (Battle of ...?) Of Glasgow	19th century
104	104	Alexander Dobbie Esq of Easter Craigannet who died 11th January 1870 aged 64 years	1870
105	105	eroded.	18th century
106	106	1724 date embossed, embossed central panel. 1 miller's rhind	1724
107	107a & 107b	Incised panel bearing two relief millers' rhinds side by side in top- half and incised skull and crossbones. Upside down heart underneath the crossbones in bottom half of panel. Inscription: This I. BAILLIE ? Belove. To AND...D.. 7. . 4	1724
108	108	MDCCCLV Erected by Christina Moir in the memory of William Adam her husband who died the 18th July ...	1852
109	109	No inscription visible	18th century

110	110	No inscription visible	0
111	111	D R M (M centered underneath)	0
112	112	No inscription visible	0
113	113	AW (top right)	1761
114	114	(1)7... no inscription visible	18th century
115	115	Relief skull and cross bones within a shield emblem. Possible inscription going around the stone: unintelligible other than E at North side of stone (right) and RH at top right.	
116	116	Embossed skull and cross bones within a shield emblem, with a scroll or banner at the top partly eroded. Two sets of initials are visible on either side of the shield emblem with T M 17 on the left side and A D 05 on the right hand side (TA MD 1705). An inscription is partly visible: ...M... OF... HIS...CHILD..N	1705
117	117a & 117b	Large top half with 14 at top right, small bottom half turned: 17.. And two masonic crosses or AA	17th century
118	118	East-face inscription: moss covered with two sets of initials: IA IL	
119	119	Two sets of inscriptions: LA AB	
120	120a & 120b	Inscription visible: Raised in memory of Alexander Adam who died XXV August 186(?) Aged LVIII years.	1863
121	121	Panel bearing date 1749 and the initials AA ME	1749

122	122	Panel bearing date 1747 and initials JY BB	1747
123	123	No writing legible.	18th century
124	124	Relief emblem with relief year visible: 171(4) ... B	1714
125	125	Inscribed emblem with relief skull and crossbones. No legible inscription.	18th century
126	126	Inscribed emblem illegible inscription. Inscribed skull and cross bones.	
127	127	1715 on top (West) of stoneface	1715
128	128	No visible inscription.	unsure Mitchells allocated same nr twice?
129	129	No visible inscription.	unsure Mitchells allocated same nr twice?
130	130	D L - E W	19th century
131	131	No inscription visible.	unsure FS and big TS, sounds like different stones
132	132	1 7 5 1 (clearly visible)	1751
133	133	Inscription - This burialbelongs to David Liddle McCRIE DICK	

134	134	no visible inscription.	where is 32 Mitchells: counted broken as 2? Doesn't sound like it
135	135	no visible inscription.	where is 32 Mitchells: counted broken as 2? Doesn't sound like it
136	136	No visible inscription.	
137	photo missing	Inscription - DM IH, below there is possibly a 0 surviving from the date	19th century
138	no photo as under turf	no visible inscription as the stone is under the turf.	17th century
139	139a & 139b	Inscription - Here lies the earthly remains of John Thompson of Carron Ford who died April MDCCCXXXIII Aged.. And Janet Patrick his spouse who died November MDCCCXXXIII aged 66 years James Thompson of Carron Ford MDCCCXXXIII, inscription enclosed within inscribed border	1833
140	140	A partly legible inscription goes around the edge of the stone face: (CR)AI(G)A(N)NET... E..B..RR.IEL OF...AND...F..H	
141	141	Stoneface has worked edges. Reminders of an inscription: J O l...	
142	142a & 142b	Worked edge around the stoneface and the inscription: ERECTED IN MEMORY OF ANDREW ADAM WHO DIED ON THE(remainder illegible)	19th century

143	143	The inscription is weathered. Still legible: ..A ° ..A (a dot between the first and second set of initials)	18th century
144	144	Inscription weathered and covered with lichen. Still visible: AA ° .. (a dot between the first and second set of initials)	1734
145	145	No visible inscription.	18th century

146	146	Weathered inscription: ... ° EB	18th century
147	147	Worked edge on the stone face. Inscription on this family grave is easy to read until the final inscription of Anna Bow which shows signs of weathering. This grave includes six family members: Erected by William Bow of Smallburn in memory of Isabella Key his mother who died 15th March 1818 Aged 65 years and William Bow his father who died 3d of January 1825 aged 88 years. William Bow died 25th of March 1832 aged 57 years. Robert Bow died 8th of June 18.6 aged 55 years. Margaret Bow died 12th of January 1857 aged 70 years. Anna Bow ...1..(8)th of November aged 77 years.	1818
148	148	Worked edge on the stoneface. 1 7 6 0 This burial belongs to William Bow of Bow..seid	1760
149	149	A L ° I D 1705	1705
150	150		0

151	151	Relief carved emblem, top half of emblem is visible, bottom half of the emblem under the turf. 1 7 1 7	1717
152	152	Worked edges around the stone face. The inscription is faint. (I or H) E 1 7 4 1	1741
153	153	letters D N C all that remain from inscription	0
154	154	No visible inscription.	Mitchells recorded 4 where we have 6 unclear to see which one is which
155	155	No visible inscription.	Mitchells recorded 4 where we have 6 unclear to see which one is which
156	156	Date 16(9)5 and the initials AA IA, enclosed within a decorative frame	1695
157	157	only very faint remains of the inscription. E up near the right hand corner. Face and sides have incised border	Mitchells recorded 4 where we have 6 unclear to see which one is which
158	158	No visible inscription.	Mitchells recorded 4 where we have 6 unclear to see which one is which
159	159	No visible inscription.	Mitchells recorded 4 where we have 6 unclear to see which one is which

160	160	Inscription - In memory of John Adam who died Greenyard Bannockburn 9th August Aged 49 and Margaret Grey his wife who died 15th ... 1870..Aged... also their children.	1870
161	161	No visible inscription.	19th century
162	162a & 162b	Inscription - 1682 DL AN Heer lyes the.....the 24 day of May 1682 of his.....David Liddle	1682
163	163	No visible inscription. A plain border follows the outside edge of face	0
164	164	Inscription - George Adam in memory of his daughter Jane.....	1854
165	165	no visible inscription	
166	166	no visible inscription	0
167	167	No inscription visible	0
168	168	A clear inscription with dots: ° M ° on top of the stone (not on stone face)	0
169	169	Worked edge around the stone face. Inscription difficult to read: ... INGLIS	19th century
170	170a&170b	Inscription - John Turner in memory of Dugald Turner died 1872 Helen Turner died 1873 His father Archibald Turner died 1878 aged 84 years his Annie died 187... September aged 23 years Mary Blackwood Turner died 30th January aged 4 months	1872
171	171	Inscription - To a father and dad	0
172	172	Inscription - Erected by Christina Campbell in memory of her husband John McKechnie who died 14th Jan 1857 aged 46 years dear in gods sight	1857
173	173	Inscription - 1734 JB MA	1734

description stone / sandstone, shape, foundations visible, headstone (hs), flat stone (fs), table stone (ts)slab, stonemason inscription	enclosed by wall, structure not	uncovered during recording
Shouldered headstone grey sandstone, foundations not visible. Leaning against Western wall.	no	no
Grey Sandstone tablestone intact and off the ground on 4 rubble plinths.		no
Red sandstone tabletomb with worked edges on 2 large sandstone plinths. 3 quarry marks visible on the North side of the stone.		no
Grey Sandstone headstone with triangular shaped top with a border in relief. Tilted backwards against western wall, foundations sandstone visible.		no
small grey sandstone shouldered headstone against western wall.		no
small grey sandstone headstone, inclined to the East, dat embossed, foundations under turf.		no
Grey sandstone slab, worn.		uncovered
Shouldered grey sandstone large headstone. Moss on top, white and orange algae on stone. Foundations under turf. The word erected is stylised.		no
large grey worked tabletomb, heavily weathered surface, tilted northwards. Top and bottom side have stipling effect.		no

Stone marker / headstone, grey sandstone, heavily weathered. No visible signs of inscription. Possibly lost its face through weathering. Mostly under turf.		no
very large table tomb, grey sandstone, heavily weatered also on outer edges. Moss on face, no visible decorations or inscription other than D R and M centered underneath		no
slim tablestone, slightly off its plinths, top leaning against number 3, grey sandstone, weathering on exposed stone face.		uncovered
Grey sandstone slim table stone/tomb on two large pinths, worked stone		no
slim tablestone, plinths not visible, grey sandstone (1)7.. Weathered stone face.		no
slim tablestone grey sandstone		uncovered
Large grey tablestone, worked edges slid off its four block plinths westwards.		no
heavily weathered with signs of workings / shaping on the edges.		no
Small grey sandstone Roman altarshaped top. Headstone. Bottom half is turf covered.		no
Small shouldered headstone grey sandstone half under turf.		no
Large and High tabletomb, grey sandstone on two high plinths, much lichen.		no
small, shouldered sandstone headstone		uncovered

small light coloured sandstone headstone, shouldered with two decorative rolls.		no
Grey sandstone, broken in two parts of 40 - 60%. Stone worked on the bottom edge all around, relief carving. Grass growing through the cut, moss on stone face.		no
Grey sandstone, small headstone in romanesque shape. Stone heavily weathered. Similar to 6.		no
Grey sandstone tabletomb. Fallen of its plinths on the East side.		no
Grey sandstone tabletomb on plinths.		no
Grey sandstone tabletomb. Fallen of its plinths on the West side. Heavily weathered, no growth on stoneface.		uncovered
Grey sandstone thick headstone, flat top partly under turf. Situated in a row of three small headstones, 28 is the most southly (left) positioned stone. Adjacent to 28 (on the right)		no
Small grey sandstone headstone with a flat top. The middle stone in a row of three, adjacent to 28 and 29. Squint into turf, leaning backwards. Weathered with dark brown dots.		no
Grey sandstone shouldered headstone. Moss on top of stone and on back and middle of stone face. Third and most right / Northly positioned stone in a row of three. White lichen on top of stone and on upper part of stone face.		no
Large grey sandstone tabletomb covered in white lichen, heaviliy weathered. Very close to 32 on the North side (right).		no
Small grey sandstone headstone, leaning forward. Some moss and white lichen on stone. Bottom half of stone face under turf.		no
sandstone tablestone, white moss covering one end		no

sandstone slab, broken into two pieces, smallest at the E end, badly weathered. Very close to 35.		no
red sandstone slab, weathered and heavily covered by white lichen. Very close to 34.		no
grey sandstone slab, weathered clean of any decoration		uncovered
shouldered grey sandstone headstone		no
number applied to mark location of a buried flat stone		remains covered
very large, sandstone table stone		no
Grey sandstone flat slab. Leaning sideways on the North side (right side) into turf. Adjacent to and leaning against 41 on the North side (right).		no
Grey sandstone flat slab. Heavily weathered and covered with moss and white lichen. Adjacent to 40 on the South side (left)		no
Very large grey sandstone table tomb, off its plinths on the South side (left). Weathering on the stoneface.		no

<p>First grey sandstone headstone in a row of four headstones all facing South. Very small shouldered head stone leaning against the Southside of the iron enclosure of number 47 and 48 and adjacent to stone 44 on the left. Stoneface heavily weathered and covered in white lichen.</p>		no
<p>Grey sandstone shouldered headstone, larger than number 43. Second in a row of four headstones all facing South. Adjacent to number 43 on the West (right) and 45 on the East (left) side. The headstone is leaning against the South side of the iron enclosure of number 47 and 48. Stoneface is covered with grey and white lichen.</p>		no
<p>Grey sandstone shouldered headstone, same size as number 44. Third in a row of four headstones all facing South. Adjacent to number 44 on the West (right) and 46 on the East (left) side. The headstone is leaning against the iron enclosure of number 47 and 48. Stoneface is covered with grey and white lichen.</p>		no

<p>Very small grey sandstone shouldered headstone, same size as number 43. Third in a row of four headstones all facing South. Adjacent to number 44 on the West (right) and 46 on the East (left) side. The headstone is leaning against the South side of the iron enclosure of number 47 and 48. Stoneface is covered with grey and white lichen.</p>		no
<p>Very large grey sandstone tabletomb inside the iron enclosure on the South side (left) from the entrance.</p>		no
<p>Grey sandstone tabletomb inside the iron enclosure on the North side (right) from the entrance. Moss and lichen on the stoneface.</p>		no
<p>Grey sandstone flat slab leaning against the North side of the iron enclosure of the Bow family. The stone has a tapered shape at the East end (bottom).</p>		no
<p>Grey sandstone which looks like a possible grave marker stone. They do not seem to be plinths or a headstone. No visible inscription or workings on the stone. Weathering and weathered dots on the stone.</p>		uncovered

Small grey sandstone romanesque headstone. Leaning Eastwards (forward). Moss on top of stone.		no
Slim grey sandstone grave slab.		uncovered
sandstone slab, heavily weathered		no
possibly a grave marker as the stone appears to be an unworked boulder		no
sandstone tablestone, raised on two long plinths at each short end, heavily overgrown with lichen		no
		uncovered
sandstone slab of a reddish colour		no
grey sandstone slab		no
sandstone tablestone with one large plinth at each end. Heavily weathered and overgrown with lichen		no

large headstone, concial shaped on a rectangular base, leaning against N wall of graveyard.		no
large tablestone,covered with orange and white lichen		no
		uncovered
large sandstone table stone, one small plinth per corner		no
		no
rough unworked gravemarker		uncovered
Stump of grey sandstone. A possible grave marker or large stone from the wall or a previous building.		no
Large grey sandstone tabletomb leaning Northwards (left). Plinths on the South side visible, weathered stone face, white lichen.		no
Grey sandstone headstone, rectangular but mostly under turf.		no
Grey sandstone rounded headstone on North wall. Heavily weathered and white lichen at top of stone face. Moss on the bottom of the stone face.		no
fallen sandstone headstone, with remains of broken base		no
modern cremation burial location		no
sandstone headstone, leaning against S wall of graveyard. Also modern cremation location.		no
shouldered headstone against S wall		no
